- 8.5 Lots purchased for export shall also be charged VAT and other applicable tariffs which shall be repayable on production of unequivocal written evidence that the Lot has been exported, in accordance with applicable HMRC regulations.
- 8.6 CVA reserves the right to determine what constitutes the correct proof of export of a Lot. This evidence must be received by CVA within 3 months from the date of the sale (or 13 weeks from date of sale).

- 8.7 The Purchaser must immediately pay the full purchase price plus VAT (less any deposit) and the Purchaser's Premium to CVA's cashier.
- 8.8 The Purchaser shall not remove any Vehicle or Lot until the full purchase price and Purchaser's Premium and any additional fees have been paid. Provided that full payment has occurred, Vehicles and Lots must be removed by the Purchaser from CVA's Site within 5 Working Days of the Auction date. The Lot will not be released until the Auction has been completed.
- 8.9 Notwithstanding this clause 8, CVA shall not be liable to the Seller for any default by the Purchaser. CVA gives no guarantee that the successful Bidder for a Lot, or any other person with whom the sale of the Lot is agreed, will make full payment to CVA or to the Seller for the Lot.

9. Consequences of Non-Payment by the Purchaser

- 9.1 If any Lot is not paid for in full and cleared funds and removed by the Purchaser from CVA's Site within 5 days of the Auction, or if the Purchaser is otherwise in breach of these Terms, CVA (as agents of the Seller) in its absolute discretion and without prejudice to any other rights that it and/or its Sellers may have, shall be entitled to exercise one or more of the following rights or remedies:-

 - (e) terminate the defaulting Purchaser's account and prevent the defaulting Purchaser from attending any further Auctions run by CVA or on its behalf;
 - (f) resell the Lot, or cause it to be resold, by public Auction or private sale. The defaulting Purchaser shall then be liable pay to CVA the costs incurred in connection with the resale plus the value of any shortfall between the amount of the purchase price agreed by the defaulting Purchaser for purchase of the Lot and the price paid upon actual sale of the Lot to a third party, to the extent that any deposit paid by the Purchaser is less than the shortfall;
 - (g) remove, store (either at CVA's Site or elsewhere) and insure the Lot at the expense of the defaulting Purchaser;
 - (h) charge interest at the rate of 2% above the base rate of HSBC plc on all sums due, such interest shall accrue on a daily basis and be compounded quarterly from the expiry of 5 days after the date of the Auction to the date of payment in full for the Lot;
 - (i) retain possession of the Lot and all other Lots from time to time sold to the Purchaser pending payment in full of the Lot;
 - (j) apply any proceeds of sale then due or at any time afterwards becoming due to the defaulting Purchaser on its own sale of goods at a CVA Auction towards settlement of the purchase price of the Lot and exercise a lien on any property of the defaulting Purchaser which is in CVA's possession for any purpose.
- 9.2 If the Vehicle or Lot has not been removed from the Auction Site within 5 Working Days of the Auction, the Seller shall pay storage at a price of £25 per Vehicle or per Lot (whichever is the greater) per Working Day, from the date of the Auction. If the purchase price has not been paid in full, the Seller authorises CVA to sell the Vehicle or Lot and to deduct storage charges and Seller's Commission. The balance of any amount received shall be payable to the Seller.
- 9.3 CVA shall not be liable to the Seller for any difference in the sales value between the Auction and any subsequent sale.
