| Axis 3 | | | | | | |
| Axis 4 | | | | | | |
| Max. Train Weight | | | | | | |
| Notes | 1. A reduced gross weight and/or axle weight may apply in certain cases to a vehicle being so marked. The MAXIMUM permissible axle weight can vary depending on the type of suspension and axle design. | | 2. This discussion only applies to trailers and semi-trailers. | | 3. Where there is no weight shown in the EEC maximum permitted weight column this indicates there is no EEC standard relating to that weight. | |
